## POST RENEWAL: REVIEW, REMIND AND REEVALUATE

### A Message from your Infinity Team

#### Review:

##### Post Renewal Checklist:

- Review carrier invoices for enrollment accuracy & make any necessary corrections within the month.
- Verify COBRA rates match final rates.
- Ensure your team has portal access for insurance carriers.

#### Remind:

Our Client Services Team continues to support you by gaining insights from your administrator, resolving member issues or questions, and guiding members in understanding their benefits.

##### A Friendly Reminder

- *Carrier partners often adhere to strict timeframes to complete inquiries, ranging from 1- 7 business days depending on the inquiry type. We will update you within this turnaround time as we receive new information.*

#### Reevaluate:

Often, businesses can add other lines of coverage from the same carrier with significant savings! Like choosing from a menu, you can decide how to enhance your benefit offerings. Your Account Manager is here to help! Offering additional options differentiates benefits and sets you apart from other employer packages.

Here are some additional benefits you may consider adding to your current benefits package:

- Dental
- Vision
- Life Insurance
- Health and Wellness Programs
- Savings Vehicles (HSA, HRA & FSA)
