A MESSAGE FROM BRIAN AND PAM DIX:

OWNERS, INFINITY BENEFIT SOLUTIONS, INC.

It is with great sadness that we share the news of Rich Hudock's passing. Rich founded Northwestern Mutual's Strategic Employee Benefits Group in 1984. He was instrumental in the companywide development of the group benefits sector, before Brian and Pam Dix founded Infinity Benefit Solutions in 2012. Many of our clients remember Rich and ask about him to this day. Rich was one of the best; from family man to business man, he was loved and respected by everyone who knew him. Brian has a great appreciation for Rich and the role he played shaping Brian's life. He is grateful for the many years with Rich, first as a colleague and subsequently as a dear friend. We will continue to keep his wife, Gretchen, and their children, John and Beth, in our prayers.
